

## TENDER DOCUMENTATION FOR CONSTRUCTION PROJECTS AN OVERVIEW

Jan 22, 2021

[Tender Documentation For Construction Projects An Overview](#)

Tender documents for construction are some of the most important documents which construction companies and project and asset owners deal with because they dictate who is going to be delivering what projects - which has a direct impact on all of the companies working on a project as well as the project of course. Construction tender documents include the documents which project and asset owners use to invite vendors to bid on their projects, and the documents which vendors (contractors ...
